Kiwi's Spring Fundraiser! 2021

Thank you for thinking local!

Our spring fundraiser features veggies, herbs, hardy outdoor plant material, décor, houseplants, and gift cards for purchase, there are no minimum purchase requirements. The organization then receives a portion of the sales (10-30%) once all the items have been picked up from the Nursery.

An online store is set up under the organizations name, where its' customers browse and shop from. When the order or part of the order is ready for pick up, an email will be sent to the purchasing customer.

The online store opens early April and runs to the beginning of May, with all items being available for pickup by the May long weekend, weather dependent.
